CREATE YOUR MOBILE EDGE FOR 2014

Uncover the power of custom enterprise mobile B2E Apps for the LOGISTICS Industry with Grove and Google Enterprise

Join other executives in small, focused industry sessions to showcase mobile app solutions to known industry problems.

The session will include:

◆ Innovation in the Cloud
Get a fresh view of the changing world and an update on Grove and Google Enterprise's vision for 2014.
Pip Witheridge: CEO, Grove Group

◆ Mobility
Learn how your business can **quickly, effectively** and with **minimal risk** solve current business problems with Custom Enterprise Mobile Apps.
Gerdus Byleveld: Product Director

◆ Customer Insights and Use Cases
Hear from customers who have experienced business transformation and tangible ROI.
Facilitated by *Gerdus Byleveld: Product Director*

◆ A Demonstration
Experience a firsthand view of Custom Enterprise Mobile Apps specific to your industry.
Dan Martyr: Product Director

◆ Q&A/ session close

Please extend this invitation to other IT or Business Executives in your organisation that may be interested in attending this session
